Hi Clary,

I hope you had a great Memorial Day weekend.

Things are moving along (albeit quietly...) with the MBTA CRMF permit development. As part of organizing my files, I realized that I don't have a copy of an earlier letter to EPA, most likely addressed to Ken Moraff, the Director of the Office of Ecosystem Protection in the Region 1 office, regarding the 50 Tufts Street contamination. I believe this letter was mailed to our office in early 2017, prior to most of the 308 correspondence. It's entirely my mistake that I lost track of it. If there's any chance that you have an electronic copy of this letter, I would much appreciate your forwarding it!

Thanks, and, of course, please let me know if there's anything else I can help with information-wise in the meantime.

Undine
